

Section 10. Annual Reports and Evaluations

Guidance: *The National Academy for State Health Policy (NASHP), CMS and the states developed framework for the annual report that states have the option to use to complete the required evaluation report. The framework recognizes the diversity in State approaches to implementing CHIP and provides consistency across states in the structure, content, and format of the evaluation report. Use of the framework and submission of this information will allow comparisons to be made between states and on a nationwide basis. The framework for the annual report can be obtained from NASHP's website at <http://www.nashp.org>. Per the title XXI statute at Section 2108(a), states must submit reports by January 1st to be compliant with requirements.*
