Your signature on the enrollment form authorizes the Division of Child Support Services (DCSS) to deposit your child support payments directly into either your checking or savings account -or- onto a First State Family Card. Your signature also authorizes DCSS to adjust any over/under deposit it has made to your account. You understand that DCSS will make a reasonable effort to notify you within one business day of when an adjustment is made. You also understand the deposit/adjustments will be made electronically by ACH transactions and that you must allow the Federal Reserve two business days from the disbursement date to have the funds available to your financial institution.

You also understand the following: In conducting certain transactions with your First State Family Card, an authorization may be obtained which may be greater than the actual amount of your purchase. This authorization amount will be held from your card balance until the actual amount of your purchase is posted by the merchant. These merchants may include: Gas stations, certain cell phone providers, restaurants, beauty/barber shops, car rentals, hotels, cruise lines, health/beauty spas, taxis and mail orders. You should contact the merchant if you have questions concerning an authorization hold which may be made to your account.

It is your responsibility to immediately notify DCSS if your home address, telephone number and/or banking information changes. You must include your full name as it appears on your account, social security number, and case number(s) on all correspondence.

You must submit a new enrollment form to UPDATE or CANCEL your Direct Deposit. If you CANCEL Direct Deposit without providing new banking information, you will automatically be enrolled in the First State Family Card. Once enrolled in the First State Family Card, you may NOT opt out of the program. You understand that upon enrolling in, or changing accounts for Direct Deposit, DCSS will verify your bank account information and you will receive your child support payments via paper check during the verification process. If there is an urgent need to submit a cancellation or update request, please contact Customer Service for additional instructions.

The Customer Service Automated Assistance Line (AAL) provides the date DCSS disburses your payment; however, you must verify with your financial institution or VISA Card when the payment is posted to your account and funds are available for withdrawal.

By signing the enrollment form on the reverse side, you affirm that you have read and agree to all of these conditions.
