Delaware's State Innovation Model (SIM) Update

May 7, 2015
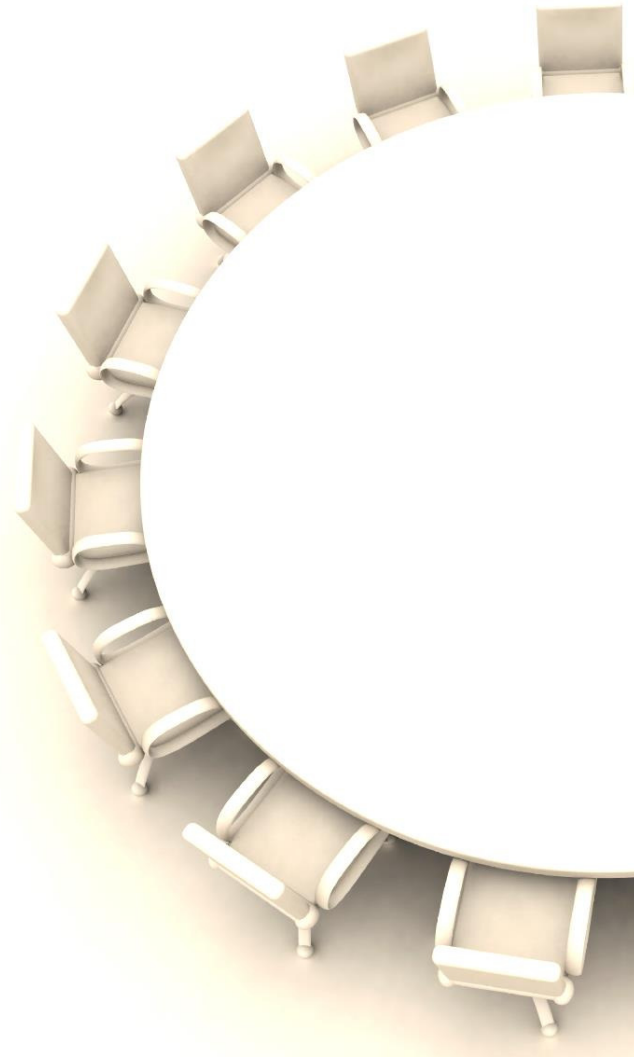

Today's agenda

Update on recent progress

DCHI Executive Director recruitment

Provider enrollment for Scorecard testing

Upcoming meetings and next steps

Summary of April DCHI Board meeting

- Provided updates on **recent progress:**
  - Committee activities
  - Provider participation in Scorecard testing
  - DCHI start-up activities (e.g., developing a website, applying for 501(c)3 status)

- Discussed **Executive Director recruitment** process and materials
  - Reviewed channels for promotion of job announcement

- Reviewed approach to **stakeholder engagement**
  - Large format town-hall meetings to be held several times per year

- Discussed next steps in developing the **overall program dashboard**
  - Committees to provide perspective on relevant metrics

Committee updates (1/2)

Committee	Update	Path forward
Payment	▪ Aligned on recommendations for care coordination eligibility and payment structure	▪ Discuss design decisions related to "total cost of care" and "pay for value" payment models
Clinical	▪ Reviewed enrollment and timeline for Scorecard testing — 21 practices representing >100 PCPs participating ▪ Discussed detailed definitions and sequence of practice transformation milestones, and operational details (e.g., how to assess completion)	▪ Develop recommendations on care coordination ▪ Prepare for Common Scorecard testing
Healthy Neighbor hoods	▪ Met with Delaware Community Foundation to discuss data initiatives ▪ Discussed selection of specific health priority areas (e.g., diabetes) or "themes" (e.g., healthy lifestyles)	▪ Define Healthy Neighborhoods operating model (e.g., Neighborhood definition, council formation, governance)

Clinical and Payment will draft a consensus paper on practice transformation for the Board's consideration and discussion at the May 13th meeting.

Committee updates (2/2)

Committee	Update	Path forward
Patient and Consumer	▪ Received briefings and provided consumer perspective on patient engagement tools, Healthy Neighborhoods program and DHIN	▪ Provide input to further refine DCHI outreach materials ▪ Provide input on strategy of DCHI Clinical and Payment Committees
Workforce	▪ Discussed recent workforce issues in the news ▪ Reviewed recent progress on workforce capacity planning ▪ Provided input on approach to Learning Collaboratives and discussed workforce implications of practice transformation milestones	▪ Release Consortium RFP[1] ▪ Begin work on Learning & Development curriculum ▪ Continue capacity planning and credentialing work
TAG	▪ TAG meeting held to convene all payers regarding data preparation and submission ▪ Definitions finalized for last three metrics ▪ Payers preparing test data for Scorecard	▪ Continue to engage payers on technical coding of metrics

1 HCC to release RFP

Recent opportunities to discuss SIM and DCHI work

|	
SIM convening in Baltimore	▪ All SIM states met in Baltimore for a conference for cross-state discussion and learning, week of April 20 ▪ Delaware representative spoke about incorporation of population health programming into SIM initiative
Speaking engagements in April and May	▪ Governor's Advisory Council on Services for Aging and Adults with Physical Disabilities (4/14) ▪ Governor's Commission on Building Access to Community-Based Services (4/17) ▪ Delaware Aging Network (5/19) ▪ Delaware Rural Health Initiative conference (5/19)

DCHI Executive Director recruitment

- Applications are being received and reviewed

- Process is moving forward; interested candidates encouraged to apply soon

- Resumes and cover letters can be sent to edrecruitment@dehealthinnovation.org

Enrolling practices for Scorecard testing

- 21 primary care practices have enrolled, representing 123 providers

- Strong representation from across the state

- Good mix of large and small practices
