HOW TO PROVIDE FEEDBACK

Today we will be prioritizing feedback from providers. Please limit your comments to two minutes so we can hear from as many people as possible.

If you would like to speak, use the 'Raise Hand' button in the 'Participants' panel and we will unmute your line.

• Remember to unraise your hand when you are done speaking.

You can also provide written comments in the chat or through the Q&A feature in Zoom.

Specific questions/concerns with current MCOs/providers can be directed to MedicaidInfo@Delaware.gov.
CONSIDERATIONS

What can DMMA and/or MCOs do to enhance Medicaid for members?

What ideas do you have to:
• Improve access to care?
• Integrate behavioral and physical health care?
• Increase community engagement?
• Support and expand primary care?
• Increase opportunities for members to live the healthiest life possible?
• Advance long term services and supports?

What additional priorities should DMMA consider?

What other thoughts or ideas do you have for us?
