## **Verification of State Registered Radiation Service Providers**

*Updated April 12, 2019*

Effective May 1, 2015, Radiation Service Provider Registration status for companies or individuals holding a Delaware certificate can be verified using this searchable PDF file. The list will be updated quarterly.

To use this form:

1. Enter the name, or registration number in the "Find" box in your PDF file reader.
2. Hit enter after typing the name or registration number and the computer will search the PDF file.
3. Use the forward or backward arrow button near the "find" field to move between multiple similar records.
4. To perform a new search, delete the entered name or registration number and start as described in the first step.

Copies of this report are available by contacting the Office of Radiation Control at (302) 744-4546, or by visiting our webpage at:
