

DELAWARE'S CHILDREN WITH MEDICAL COMPLEXITY ADVISORY COMMITTEE

April 12, 2022

9:00 -11:00

Meeting Notes

Welcome and Roll Call	<ul style="list-style-type: none"> DMMA Director and CMCAC Chair, Stephen Groff welcomes everyone. Attendees announce their name and affiliation via the chat box.
DMMA Update	<ul style="list-style-type: none"> Director Groff discussed that the COVID-19 PHE may end mid-July; 60-day notice is expected, but it cannot be guaranteed. Discussed continued flexibility with telehealth. Discussed that telehealth is not as a service, but a delivery mechanism. Director shared the importance that Medicaid members update contact information, because at the end of the pandemic redeterminations will resume, and members will need to respond to requests. Updated contact information will assist in people not losing coverage for administrative reasons.
SHHN Quarterly Report	<ul style="list-style-type: none"> Quarter One Activities: <ul style="list-style-type: none"> PDN Workforce Capacity Study findings and recommendations Feedback on the PDN Policy Manual Key Issues to Note: <ul style="list-style-type: none"> Next steps to implement PDN recommendations Workgroup meetings will be extended an extra 30 minutes Upcoming Activities: <ul style="list-style-type: none"> Finalize 2022 work plan The beginning of implementing PDN study PDN Policy Manual revisions to the recommendations Upcoming meetings: May 3, 2022; June 7, 2022; and July 5, 2022

How to address identified issues related to pharmaceuticals. Upcoming meetings: April 26, 2022 and May 10, 2022

<p>PDN Workforce Capacity Study Recommendations</p>	<ul style="list-style-type: none"> • DMMA contracted with the University of Delaware and Center for Research in Education and Social Policy (CRESP) in 2020. • Goal was to look at the capacity of Delaware’s PDN workforce to support children with medical complexities and their families. • Five targeted areas: <ul style="list-style-type: none"> ○ PDN Provider Agency Study ○ COVID Telehealth Study ○ Family Caregiver PDN Study ○ Non-PDN Study ○ PDN Study • The SHHN assisted with input on the study design. • Study results were given to DMMA in December 2021 and shared with CMCAC. • Recommendations were developed for each of the five targeted studies. • Next Steps: <ul style="list-style-type: none"> ○ DMMA will continue work with SHHN and CMCAC on updates to recommendations; DMMA will evaluate and determine how to move forward. Other partners will be assets throughout the processes.
<p>DME/Supplies Care Coordinator Training</p>	<ul style="list-style-type: none"> • The MCOs shared the jointly created MCO DME/Supplies Care Coordination Training with the CMCAC. This is in draft format. They asked the CMCAC for feedback for revisions. The final version will be posted on the CMC Resources webpage.
<p>COVID-19 Update and Discussion</p>	<ul style="list-style-type: none"> • Director Groff gave an update on COVID-19 and the division’s work and priorities around the PHE.
<p>Public Comment</p>
