Open Enrollment for Diamond State Health Plan Plus

As you are aware from recent mailings, you will be moving to the new Diamond State Health Plan Plus. This program provides a managed care approach to service delivery that will give you more choice and greater voice in your care.

You will need to join a Managed Care Organization (MCO). You can choose either Delaware Physicians Care or UnitedHealthcare Community Plan. Both MCOs are committed to offering the same services your current Medicaid Program provides. Enclosed you will find Diamond State Health Plan Plus information. Please read this information carefully to help you choose a health plan.

Your health plan will start on April 1, 2012. If you do not choose a health plan, you will be assigned to the health plan listed on the enrollment letter that was mailed to you.

Between **January 1, 2012 and February 15, 2012**, you may call the Health Benefits Manager (HBM) at 1-800-996-9969 to enroll in your health plan, or if you have questions about the benefits you will receive.

Note: If you have Medicare, your Medicare will remain your primary insurance. Your Medicaid Health Plan under DSHP Plus will be your secondary insurance.

Please call us to enroll. We are available Monday - Thursday from 8:00am until 6:00pm, and Friday from 8:00am until 5:00pm, 1-800-996-9969.
