Pathways to Employment is administered and operated by the Delaware Department of Health and Social Services, including the:

- Division of Services for Aging and Adults with Physical Disabilities
- Division of Developmental Disabilities Services
- Division of Medicaid and Medical Assistance
- Division for the Visually Impaired

What is P2E?

Pathways to Employment is a Medicaid program designed to help teens and young adults with disabilities in Delaware get connected to the world of work.

We provide supportive services that help break down job barriers by providing a clear path to employment.

Is Pathways for you?

Pathways to Employment assists individuals diagnosed with:

- Intellectual Disability or Autism Spectrum Disorder
- Visual Impairment
- Physical Disability

All you need for **P2E** is:

- Desire to work
- Age 14-25
- Enrolled in Medicaid and meet related financial eligibility
- Able to meet disability-specific functional criteria

Employment Navigators

P2E employment navigators in Delaware provide options for participants through employment services and other supports.

Navigators also help coordinate among various services including other medical, social, and educational services, regardless of the funding source.
